A house number on a mailbox, can help others find you quickly. It is also an USPS requirement for a mailbox to display its street number. Creative Shark brings you a catalog of numerous beautification designs for your mailbox.

About US

Creative Shark, LLC was created to help ordinary people, receive extraordinary and original products. Specializing in recreational team shirt designs, mailbox vinyl, print marketing materials, and more. Ultimately serving those who want something special without having to spend high set-up or design fees. Our pricing is inclusive, meaning if you have a team name, but no logo design, our pricing includes design within the cost per unit. Our HTV, DTF, and infusible ink solutions make sense for seasonal teams who are constantly recruiting new teammates and or changing their team name. Making our solutions affordable and unique for the everyday consumer.

Apart from team clothing, we can almost create anything! From residential to small businesses, we can be your one-stop shop. We offer creative vinyl solutions for mailbox identity, marketing and advertising materials for small businesses, promotional products, video editing services and more!

WHY

CHOOSE US

✓ **Affordable**

As a small business, we are committed to low pricing for all who seek our creative services. Majority of our work is performed in-house and we operate with low overhead costs, without sacrificing quality.

✓ **One-Stop-Shop**

With our variety of capabilities, we can provide any company or person with a multitude of marketing and advertising services. Our creative shirt and product solutions alone, make us stand out from the rest.

✓ **Professionalism and Honesty**

We take the utmost pride in customer satisfaction by providing honest communication, transparent scheduling, and delivery assurance. All of our services are performed with quality standards in mind.

✓ **Fearlessly Woman-Owned**

Show your interest and support in working with a diverse market. Creative Shark, LLC is not only proud to be owned by a woman, but we are one of the few companies that comprise a female drone pilot.

Table of CONTENTS

In this catalog you will find an array of design options. All designs will be modified to fit your mailbox and customized to your liking. If you have a specific vision, please feel free to contact us and we can consult at no cost. We are unique given our install inclusion and array of designs and styles.

After the choice of design, vinyl type + color(s), and size, you will be asked to give the appropriate information to complete your design mock up. From there we will provide a mock up with the sizing of the artwork and placement. Once proof is approved, you will be asked to provide availability for install and method of payment. *Tax to be included. Feel free to reach out for a request for quote without install.*

The possibilities are endless. Design consultations are free and we accept provided graphics as well. We can also match font for free if you already have artwork on the side of the mailbox, but need one for the front. It is imperative for emergency responders and USPS to clearly identify your residence. In fact, numbers displayed on the front of your mailbox is a USPS requirement. Let us help you meet this requirement while also giving your mailbox some personality and a true extension of your home personality and decor.

All of our pricing includes installation. You are free to schedule an installation appointment or we can come install at any time, presence not required. We pride ourselves in professionalism, quality, and expertise. The best part, we are local and a small business.

Thank you for your consideration of Creative Shark, LLC.
